

## Minutes of the **Good people** Board meeting no.5

Date: 30.06.2025

Present: Martin Thaulow, Catinca Slavu, Ivan M. Nielsen

### Agenda:

1. Update on strategy and resource mobilisation for 2025
2. AOB

1. The funding decision to support **Good people**'s expanded concept as per the General Assembly has been postponed by the fund to the fall, leading to the need to adjust the strategy for the remaining half of 2025:

- **Good people** will participate in Ungdommens Folkemøde (3-4 Sep) in a scaled down version at the Dybet scene, with possible focus themes to be related to the transition in Syria and/or the situation in Afghanistan.
- **Good people** will explore engagement with the educational environment, along the initial concept outline designed for Ungdommens Folkemøde, i.e. on themes responding to current human rights and geo-political challenges and that are meant to foster democratic resilience among youth in Denmark. Wherever possible, engagement will include young activists from specific relevant contexts, such as Ukraine, Syria, Iran and Afghanistan, as well as modalities likely to create an empathetic connection (film, photography and similar cultural engagement/installations).

**Good people** will discuss the reorientation of activities as per the above with the prospective funders.

2. The Board expressed thanks to Mathias Findalen for his invaluable contribution to **Good people**, including time and advice, as he stepped down from the Advisory Team in June.

The following Board meeting will take place no later than January 2026.
